Read each page carefully to fully understand what changes are in store for our summer, but a few highlights include:

- An overhaul of our program schedule that includes the concentration of merit badges in the morning, leaving afternoons open for troop trips and other open program activities.
- The introduction of online merit badge records and the elimination of blue cards to help streamline the advancement process.
- The continuation of merit badge class capacities and medical rechecks at Resica Elementary School.

History of Resica Falls

Situated in the beautiful Pocono Mountains, Resica Falls Scout Reservation is a 4,200-acre Scouting Paradise. Set in an endless track of mountain trails, clear streams, and waterfalls, Resica has an amazing program of activities for Scouts to enjoy during their summer camp experience and beyond. This paradise is home to hundreds of different trees, plants, and animals, and to over 2,000 Scouts and Scouters each summer.

In 1957, the Valley Forge and Philadelphia Councils entered into a joint venture to develop this magnificent piece of land into a camp for Scouts to enjoy for generations to come. Although the Valley Forge Council would become the sole proprietor of the property in 1965, these same two councils would merge in 1996, creating the Cradle of Liberty Council. The Council would later enter into a land trust agreement, preserving the property forever as an undeveloped forest for Scouting use. In 2022, Resica Falls celebrates its 65th anniversary.

The camp capacity for 2022 will be 500 scouts each week in our Dining Hall operation. The Ranjo Clock Tower serves as a central meeting place outside the Dining Hall on the Parade Field. The camp boasts three shower house facilities that can accommodate both male and female campers and leaders. Our pool features a three-story water slide and Lake Roger – a 27-acre lake – is home to a trampoline and other

aquatic park features, in addition to sailing, canoeing, kayaking, fishing, and rowing. Since 2010, we have significantly upgraded the following program areas in camp: Rifle & Shotgun Ranges, Archery Range, Handicraft, STEM Center, Shop, ATV Course, Native American Village, and the COPE & Climbing Course. Since 2014, we have been upgrading our campsites with new tents, platforms, picnic tables, and carport canopies. The Richards Arena, our campfire amphitheater, seats up to 900 people and is state-of-the-art in lights and sound.

Today, Resica Falls remains committed to excellence in the areas of program development, facility improvement, and customer service. This year, we've continued to make improvements in our campsites, and are rehabbing several cabins for both summer and year-round use. Tens of thousands of Scouts have enjoyed an experience among the hidden natural treasures, creating memories that will last a lifetime. Join us and see the adventure that awaits!

Troop Planning Countdown

The steps below will help guide you through your planning process in preparation for your summer camp experience at Resica Falls this summer.

The key to a successful week in camp is planning and preparation. The more you plan and the better you prepare, the more successful the week. Remember the key to planning a successful program is to involve the whole troop and the most important ingredient is fun.

The greatest feature of the Resica Falls program, as we are sure you will discover, is its flexibility. Please remember, you are the reason for us being here and we will strive to make your week at camp a success. Our goal is to maintain the highest standards, address the smallest detail, and go the extra mile. This is what Resica Falls quality and excellence are all about.

Begin the process by reading the entire Program Guide. We realize that the sequence of events below may be different in each Troop.

1. Your reservation has been made through Black Pug and you have a plan for securing the total camp fees from each of the Scouts so that you can pay the balance by May 15th. This includes collecting and paying \$150.00 per Scout by April 1st to unlock merit badge registration.
2. You need to have a serious discussion with yourself and the other adults in your unit. "What do I want to accomplish as Scoutmaster? How can I ensure a well-organized, balanced program for summer camp...a program that will enrich the life of each Scout and, at the same time, strengthen our patrol and troop organization for year-round operation? What are the goals for my troop?"
3. Confirm patrol organization for summer camp. "Natural" patrols, which operate all year, are the most desirable. If this is impossible, create new patrols for the summer camp experience. Organize your patrols well before camp.
4. If you have not already done so, conduct a Camp Parent's Night in your troop to present camp plans and share with Scouts and parents information about our camp, program highlights, adult leadership, physical examination, fee payment, etc. Distribute medical forms. Contact the Council Camping Department for assistance with any issues or check out www.resicafalls.org.
5. **FIND OUT WHAT THE SCOUTS WANT!** Ask them, don't just guess. Some things they will want to do on their own, other things by patrol and others with the whole troop. Have each patrol meet to list its ideas in each category. Survey the troop for special program requests- i.e. swimming, canoeing, hiking, etc.
6. Review your troop's advancement records to determine each Scout's advancement needs. Give each Scout a copy of the merit badge opportunities. Have them select the merit badges they wish to pursue at camp, then discuss the advance preparation necessary for each badge. Don't forget about our older Scout programs such as High Five, and ATV, as well. Be sure to have the Scouts prepare for what they plan to do. For example, those participating in the Resica Ranger program should review requirements for Scout through First Class. Remember, be prepared! Remember, Merit Badge registration opens on April 1st.
7. Attend our first Resica Falls Leaders Update via Zoom Webinar on Monday, February 28th, 2022. We will be highlighting many changes made to our camp-wide program as well as reviewing general camp procedures and policies Sign up to participate at www.resicafalls.org/leaders-update
8. Meet with your Patrol Leaders Council (PLC) - the thought and time spent in this meeting will open the doors to real adventure. Have the PLC set goals for camp.
9. Follow up on the Scouts that have not signed up for camp. Sell them on going because of the program you have planned.
10. Attend the Resica Falls Leaders Orientation with your Senior Patrol Leader in the spring. Specifics for this event – whether virtual or in-person – will be distributed in the weeks leading up to the meeting. This meeting will provide important program updates and changes as well as a check-in to ensure you and your unit are ready for camp.

Troop Planning Countdown (Continued)

11. Pay balance of camp fees owed no later than May 15th.
12. Finalize your troop roster of those attending camp. Obtain home addresses and telephone numbers of all Scouts (including parents' vacation address and phone number) or that of nearest relative, for use in emergencies. A copy of the official Resica Falls Roster template can be found at www.resicafalls.org/important-documents. Rosters should be submitted 1 week before your arrival to camp. Confirm that all Scouts and adults attending camp are registered members of the BSA and that Youth Protection Training is up to date for all adults.
13. Collect and review medical forms for all Scouts and leaders attending camp. Check for completeness of all information, with CURRENT parent's and doctor's signatures and dates. See the Medical Form Instructions on page 21 of this Program Guide for more details.
14. Arrive at the Resica Elementary School on Sunday at your designated time – this time is critical for a smooth and safe check-in experience at camp.
15. While at camp, your program commissioner is there to help you implement your troop's program.
16. Encourage any Scouts who want to experience the magic Resica Falls has to offer to sign-up for a second week as part of our Resica Troop One provisional program. A discounted rate will be applied for this special program, offered during Weeks 5, 6 & 7 of camp. Find out more at www.resicafalls.org/troop-one

CAMP LEADERSHIP: It is the policy of the Boy Scouts of America that at least two (2) adult leaders, both of whom must be 21 years of age or older, attend summer camp with your Troop. Any Scout who leaves camp prior to the normal departure time on Saturday morning with their unit will only be permitted to leave under the auspices of an adult approved by the parents of the Scout. DAMAGE TO CAMP PROPERTY AND

EQUIPMENT: The Troop is responsible to pay for the cost of repair. Payment is due before you leave camp.

BICYCLING: Bicycles are more than welcome at Resica Falls. Helmets must be worn at all times. Bicycles should not be ridden in camp after dark. Camperships (scholarship money) are available for all currently registered CRADLE OF LIBERTY Scouts. Campership awards are applied to the \$505 camp fee. Orders may be placed with your Program Commissioner or at the Camp Office by filling out a Food Requisition Form. If payment is required, it must be made at this time. EQUIPMENT IN GENERAL: Your troop should bring sufficient Scoutcraft equipment, cooking gear, hiking equipment, troop and patrol flags, American flag, and any other equipment you might need for your program. We have limited amounts of equipment for those who do not have what is needed.

FEE PAYMENTS: The camp office will receipt all monies for camp fees, Order of the Arrow, and guest meals.

HAZING AND INITIATIONS: Hazing and initiations violate Youth Protection Policies and do not belong in a Scout Camp. Scout leaders will see to it that all new campers are properly oriented and assisted in getting the most out of their camping experience.

Please report all injuries and health problems. We are required to record all injuries that occur on camp property, **NO MATTER HOW SMALL**. If the Health Officer is not in the Health Lodge, their location and phone number will be posted. Any individual exhibiting symptoms of COVID-19 should be brought to the Health Lodge for evaluation and/or quarantining immediately.

Campsite Name

Resica Falls Scout Reservation

East Stroudsburg, PA 18302

MAINTENANCE: Tents, cots, tent platforms, and other such equipment are expensive to replace. Care for them as you would your own property. Small rips in cots and tents should be reported immediately. When camp property is damaged, a charge will be made to cover the necessary repairs or replacement. In wet weather, guy lines on all tents should be loosened, because rope and canvas shrink when wet. If rain is of long duration, continual loosening is essential. Tent flaps should be rolled inward each day, if weather permits. This allows visible control of the site, as well as airing out the tents.

OUT OF CAMP TRIPS: If a Scout or Leader is leaving camp, they must stop by the Camp Office and sign out in the Camp Register. A Scout who leaves camp prior to the normal departure time on Saturday will only be permitted to leave under the auspices of an adult proved by the parents of the Scout in writing. All returning campers must have their temperatures taken.

PERSONAL EQUIPMENT: Your Scouts should have a list of all material and equipment they bring to camp and have them check off items as they prepare to leave camp for home. Mark items with name and Troop number. Parents will be happy when their Scouts return home with all their original equipment. Make sure that your Scouts do not bring along too much money or valuable items, and that all money be locked up for safe keeping. ***We do not accept any responsibility for valuables lost or stolen. Do not bring any valuables to the pool.***

Review our refund policies for this and other causes on our '2022 Summer Camp Refund Request Form,' found on www.resicafalls.org/important-documents.

SMOKING: Leaders who smoke are reminded that **SMOKING IS NOT PERMITTED IN BUILDINGS OR TENTS**. Additionally, please refrain from smoking in the Program Areas. Smoking is only permitted in designated smoking areas. All cigarettes and tobacco must be disposed of properly. We ask that smoking not be done in front of Scouts. circumstances.

The Camp Trading Post is stocked with merit badge and program supplies, camp souvenirs, commonly forgotten necessities, postages stamps, and snack food items. TROOP ROSTER: Fill out completely, listing all your campers, Scout and adult, in alphabetical order, giving name, address, zip code, and telephone number. Make sure all are registered with the Boy Scouts of America. Submit your roster electronically on the official Resica Falls template one week before your arrival in camp. Our official roster template will be available on the Important Documents page of www.resicafalls.org

UNIFORM: The full Scout uniform, correctly worn, is proper at any time, but essentially required for the evening meal, retreat, campfires, and some other evening activities. Scout shorts and t-shirts are recommended for daytime wear. Some Scouts may not have a uniform, through no fault of their own, and we must note that a uniform is not a prerequisite for attendance at camp. Shoes or some type of adequate foot gear must be worn at all times as a matter of safety, especially to prevent puncture wounds which could prohibit swimming. Water shoes (foot gear which can get wet to prevent injury while in the lake or creek) will be needed for a variety of camp activities. Old sneakers are acceptable water shoes.

UNIT SITE CAPACITY: Each campsite has a definite size regarding camper capacity. This is done to accommodate small and large units alike. Site assignments will at the discretion of the Camp

Director.

VEHICLES: No vehicles are allowed in the campsites. Arrangements must be made in advance with the Camp Director for any physical limitations. Each unit will receive 1 parking spot at the top of the hill near the Trading Post. Vehicles must be detached from any unit trailers and moved to their designated parking area. All other vehicles should be parked in the Fisherman's Parking Lot.

VISITORS: All visitors must sign in at the camp office immediately upon arrival. Visiting Scouters desiring meals at the Camp Dining Hall can be accommodated if the camp is notified 24 hours in advance. **The Camp Director retains the right to prohibit visitors in camp.** All visitors must sign out at the camp office when leaving.

The camp will not conduct an organized camp visitors night. Your troop is welcome to organize an evening in camp where you can invite parents and guests.

Your First Day At Resica Falls

RESICA ELEMENTARY SCHOOL: You are required to meet at the Resica Elementary School as the first step of your Check-in process. Many key aspects of Check-in will be taking place at the school. You should arrive at your assigned check-in time, and if possible, together as a unit. Please remain in your vehicles until instructed otherwise. Your Camp Leader will meet with members of the Camp Leadership Team; have all necessary paperwork ready, including 2 copies of your unit roster, medical forms, and specialty program permissions slips (Cowboy Action and ATV). The address of Resica Elementary School is 1 Gravel Ridge Road, East Stroudsburg, PA 18302.

MEDICAL RE-CHECK: These will also take place at the Resica Elementary School. All Scouts and Scouters remaining in camp will receive a Medical Re-Check where your medical forms will be reviewed. A lock box for in-site medication storage will be given to the camp leader at this time; medications to be stored in the Health Lodge will be collected back in camp. Once medical re-checks are complete, your unit will return to your vehicles and wait for instructions to proceed to camp.

UNLOADING POINT: Upon leaving Resica Elementary School, you will travel to camp and be greeted by your Camp Staff Guide at the unloading point outside Unami Lodge (Camp Office). Your unit's gear will be unloaded from vehicles to be transported to your campsite. Parent drivers are encouraged to remain in their vehicles during the unloading process. All vehicles once unloaded should be moved to the appropriate parking lots, and those not staying overnight in camp should head home.

CAMPSITE INVENTORY: Your Camp Staff Guide and one Adult Leader will, upon arriving at the Campsite, take note of the types, quantity, and condition of all Camp equipment. Please indicate any damage of this equipment at that time, since any damage found during checkout on Saturday will be charged to the Unit. If any additional tents, cots, etc. are needed, your guide will make note of this on the inspection form, and the quartermaster will be informed.

DINING HALL ORIENTATION: After your campsite has been inspected, the unit should quickly change into bathing suits, shirts, and shoes, and proceed with the Camp Staff Guide to the Dining Hall for our Dining Hall Orientation.

SWIM TEST: Your Troop should wait outside the pool area until given directions from the Aquatics Staff. There you will be given an aquatics orientation and will then take a swim test to determine your swimming classification. PLEASE NOTE: To expedite the check-in process, we suggest that your Troop conduct the swim test prior to arriving at Camp. Forms are available in the document library at www.resicafalls.org. Once completed, scan and email the form to swimtest@resicafalls.org. Providing your swim test electronically is imperative in ensuring buddy tags are prepared before you arrive.

TOUR: If this is your first time at camp, and time permits, ask your Camp Staff guide for a tour of camp

Health & Safety

It is the policy of the Boy Scouts of America as stated in the “Guide to Safe Scouting,” the National Camp Accreditation Program/National Camp Standards, and other official publications of the BSA that these guidelines apply to all camp activities. In addition, council, local, and state standards also apply. In the midst of a global pandemic, Resica Falls is fully committed to ensuring the safety of all its campers, leaders, staff, and guests. As such, policies may change following the publication of this guide.

Everyone in camp has a responsibility to protect the health and safety of everyone else. One uninformed or careless person can, in a moment, destroy the health and safety of the entire camp!

BUDDY SYSTEM: Use of the Buddy System is strongly recommended for ALL activities.

HEALTH AND MEDICAL RECORDS: All Scouts and Leaders must bring to Camp a complete BSA Annual Health and Medical Record, and must be re-checked by the Camp Health Officer. Only use of the current edition of the official BSA Annual Health and Medical Record will be accepted; this assists the Camp Health Officer in obtaining vital information, should someone require medical assistance. An AHMR is valid through the end of the 12th month from the date it was administered by your medical provider. For example, a physical administered March 3, 2019, would be valid until March 31, 2020.

HEALTH SURVEILLANCE: The unit leader must monitor the health of each Scout while at camp. Please do not let a small problem get out of hand due to lack of attention. Be on the lookout for skin irritations, ivy poison, ticks, dehydration, etc. at all times. Be alert that some Scouts change their toilet habits at camp. We must watch for changes in a Scout’s physical appearance and activity level. Should any Scout or leader exhibit symptoms of COVID-19 at any time during your stay, they should report to the Health Lodge immediately for quarantining. **IT IS THE RESPONSIBILITY OF THE UNIT LEADER AND THE SCOUT TO REPORT ANY INJURIES, ACCIDENTS, OR ILLNESS TO THE HEALTH LODGE!**

MEDICAL SERVICE: The Camp Health Lodge is prepared to handle camp illness and accidents. Emergencies will be handled at all hours, day or night, at the Camp Health Lodge. Should hospitalization be necessary, we have arrangements with local ambulance services and local hospitals. Any camper who leaves camp for medical reasons **MUST FIRST CHECK OUT AT THE CAMP OFFICE.**

INSURANCE:

Each council carries insurance that provides coverage for their members while participating in Scouting programs. Accident & Sickness Insurance Plans provides medical payments subject to the plan details and limits of the coverage.

This plan is an excess insurance plan meaning that it will pay all the eligible expenses incurred from a covered accident or sickness not paid by any other collectible insurance or pre-paid health plan in-force for you or a dependent child(ren). If no other collectible insurance or pre-paid health plans are in effect at the time of the loss, this plan will pay all eligible covered expenses up to the plan limits. There is no deductible under this plan.

MEDICATIONS: Medications can be administered in one of two ways at Resica Falls. It is the unit’s decision how they want medication to be stored and distributed.

- 1) Medication for your entire unit will be stored in a secure, camp-provided lock box in your own campsite. Units participating in this option must complete a Medication Storage Release Form.
- 2) Medication will be stored in the camp Health Lodge. An adult leader from your unit **MUST** accompany any Scout coming to the Camp Health Lodge for medications.

All medications should be in original containers, placed in a zipper plastic bag, and labeled with the camper’s name and unit. Any medications requiring refrigeration will be stored in the Health Lodge, and will be administered there. We encourage units to distribute all medications in their site.

Medical Form Instructions

The following forms must be turned in for each Scout and leader upon arrival. A copy of your unit roster, submitted in advance, will remain with these forms and be returned to you before departure on Saturday. All forms are available for download from the Important Documents page of www.resicafalls.org

1. Annual Health and Medical Record (BSA Form 680-001)

(Every person needs this form)

- This form is required for everyone and all three parts (A, B, & C) must be completed.
- Part A must have signatures with-in twelve (12) months preceding the last day of your week at Camp.
- Part C - An AHMR is valid through the end of the 12th month from the date it was administered by your medical provider. For example, a physical administered March 3, 2019, would be valid until March 31, 2020.

Please Note:

- No one is allowed to remain at Camp without a current Annual Health and Medical Record Form.
- No physicals are done at Camp.
- No swim tests will be given without a current medical form and a re-check by Camp personnel.
- Only one copy for each person is required.
- Photocopies, not originals, are recommended.
- To speed check-in — Put in alphabetical order by last name, staple multi-page forms together.

2. Drug Administration Record Form (COL Form - Version 4/16)

One copy of this form will remain with each person's AHMR at the Health Lodge, and one copy will remain with each participant's medications, whether they are stored in the campsite with the unit or in the Health Lodge.

3. Unit Medication Storage Release Form (COL Form - Version 5/13)

- This form is to be completed by only those units who will be storing and administering their units medication in their own campsites. Units that will be storing all medication at the camp Health Lodge don't need to complete this form.
- The Camp Health Officer will collect this form when they provide your unit with their medication storage container.

Camp Emergency Procedures

ACCIDENTS AND INJURY: All injuries should be reported to the Camp Health Lodge. It is always a good idea to have any injury, no matter how small, checked out by the Camp Health Officer. Should hospitalization be necessary, we have agreements with local ambulance services and local hospitals. Any camper who leaves camp for medical reasons **MUST FIRST CHECK OUT AT THE CAMP OFFICE**

MAJOR ACCIDENTS AND EMERGENCIES:

The Camp Director is to be notified immediately, or in his absence, the Assistant Camp Director or Program Director. Present all facts known. Do not make statements to any outside groups, and refer inquiries from the press to the Camp Director and/or the Scout Executive.

SEVERE STORMS: In the event of a severe storm, everyone will be notified and further instructions will be provided.

ACTIVITIES DURING HIGH TEMPERATURES:

1. Adult Leaders should keep a close watch on Scouts for signs of heat exhaustion.
2. Instruct Scouts to limit or modify physical activity. Strenuous activities should not be permitted.
3. Encourage Scouts to stay in well ventilated and shady areas.
4. Encourage Scouts to drink large quantities of water.
5. Be alert for other instructions from the Camp Director.

LIGHTNING AND HIGH WATER:

1. All aquatic and climbing activities will be suspended during a lightning or thunderstorm. If you are on a river trip or at the lake, return to shore and comply with the following:
 - a) Secure canoes, boats, or other aquatic crafts.
 - b) Seek shelter indoors or in a low area away from solitary trees, rock formations, high ridges, wire fences, telephone or electric lines or open fields.
 - c) Complete a headcount if traveling as a group.
 - d) Stay in place until lightning or thunder has completely passed.

2. During high water periods, the Camp Director, Program Director or Ranger will notify units and suspend water activities. If your unit is on a river trip and conditions change to very fast or high water, return to shore and comply with the following:

- a) Secure all canoes, boats, or other aquatic crafts.
- b) Seek ground safely away from the waters' edge and high enough from any rising waters.
- c) Complete an accurate headcount.
- d) Notify camp of your location and stay put until picked up.

Lightning Safety: As written in the "Guide to Safe Scouting."

- In a thunderstorm, there is no risk-free location outside. The National Weather Service recommends that when the "Thunder Roars, Go Indoors! The only completely safe action is to get inside a safe building or vehicle." When no safe building or vehicle is nearby, use the following to reduce risk. Avoid open fields, the top of a hill, or a ridge top. Spread your group out 100 feet from each other if possible. Stay away from tall, isolated trees, flag poles, totem poles, or other tall objects. If you are in a forest, stay near a lower stand of trees. Stay away from water, wet items (such as ropes), and metal objects (such as fences and poles). Water and metal are excellent conductors of electricity.

Lightning Safety Rules

- Under the Program Director's discretion the Pool, Lake, Rifle Range, Archery Range, ATV Course & COPE will close at the first sound of thunder or sight of lightning. They will resume 30 minutes after the last instance of thunder or lightning.
- Stay away from open doors and windows, fireplaces, radiators, stoves, metal pipes, sinks, and plug-in electrical appliances.
- Don't use hair dryers, electric toothbrushes, or electric razors.
- Don't take laundry off the clothesline.
- Don't work on fences, telephone lines, power lines, pipelines, or structural steel fabrications.
- Don't handle flammable materials in open containers.
- Don't use metal objects, such as fishing rods and golf clubs. Golfers wearing cleated shoes are particularly good lightning rods.

Camp Emergency Procedures (Continued)

- Stop tractor work, especially when the tractor is pulling metal equipment, and dismount. Tractors and other implements in metallic contact with the ground are often struck by lightning.
- Get out of the water and off small boats.
- Stay in the car if you are traveling. Automobiles offer excellent lightning protection.
- When no shelter is available, avoid the highest object in the area. If only isolated trees are nearby, the best protection is to crouch in the open, keeping twice as far away from isolated trees as the trees are high.
- Avoid hilltops, open spaces, wire fences, metal clothesline, exposed sheds, and electrically conducted elevated objects.
- Approved lightning structures are marked around camp. They include the Shop, the Dining Hall, Bear Lodge, the Pool Showerhouses, the STEM Center, and Unami Lodge. These may be used at the discretion of the unit leaders.

FLOODING: Seek high ground and shelter, if possible, immediately. In case of a flood warning, we will keep you posted so that evacuation can take place if necessary.

LOST CAMPER: Troop leaders should be aware of approximate locations of all Scouts at all times. Periodic head counts are advised. If a Scout is found missing following a search of the campsite, inform the Camp Office. If necessary, the entire camp will assemble to begin a systematic search.

LOST SWIMMER: A Buddy Check will be called. Each swimmer will sit on the edge of the pool, holding his/her buddy's hand raised up. A visual check of the bottom will be made. A count will be taken to see that the buddy tags on the buddy board agree with the actual number of swimmers in their respective swimming areas. If a tag is on the board, and the swimmer is not at the pool, a runner will be sent to his Campsite. If not found, the Lost Camper Procedure will begin.

A) Capsized Boat: If a boat is capsized and no Scouts are in sight, the Lake Director will notify the Aquatics Director and Camp Director. The Director will begin Lost Camper Procedures as all other program areas are closed and the staff reports to waterfront for Lost Bather Search.

B) Missing Boat: If a boat has not been checked in and the buddy tags are still on the board, the

Aquatics Director and Camp Director will be notified immediately. The camp will begin Lost Camper Procedures.

FIRE: Follow "What To Do In Case Of Emergency" procedures. If you see a fire, report it to the Camp Office or notify a staff member. Keep campers away from the fire area.

CHILD ABUSE: Scout leaders should keep a close watch on Scouts for signs of abuse. In the state of Pennsylvania, any youth-serving adult is considered to be a mandated reporter. If any form of child abuse is suspected, it must be reported to the state of Pennsylvania via Childline. In addition, it must be reported to the Boy Scouts of America via the Scout First Helpline (page 24). Notify the Camp Director and additional instructions given.

EMERGENCY TELEPHONE NUMBERS: Every telephone that is capable of dialing out of Camp will have posted a printed list of local police and fire departments, hospitals, State Police, Ranger's home, Council Physician, Council Executive Personnel, and the National BSA Headquarters.

HAZARDOUS CHEMICAL SPILLS: In the event of a chemical spill, contact the Camp Director IMMEDIATELY. Close off the area around the spill. Do not attempt to clean up the spill. Wait for the Directions of the Camp Director.

OTHER: Treat any other emergency not covered with common sense, taking appropriate action, using guidelines listed above. For any contingency not covered and in question, contact the Camp Director only.

What To Do In Case Of Emergency

DURING THE HOURS BETWEEN REVEILLE(7:00 AM) AND TAPS(10:00 PM):

1. **SIGNAL:** Continuous sounding of the siren.
2. **UPON HEARING THE ALARM, ALL SCOUTS AND LEADERS ARE TO REPORT TO THEIR DESIGNATED EMERGENCY ASSEMBLY LOCATION. THE CAMP DIRECTOR OR PROGRAM DIRECTOR WILL TAKE A HEAD COUNT. ALL CAMPERs AND LEADERS MUST BE PRESENT OR THEIR WHEREABOUTS ACCOUNTED FOR. IN A WEATHER EMERGENCY, SUCH AN ASSEMBLY WILL BE IN THE DINING HALL.** The following areas will call in with their accounting: Lake, ATV, Native American Village, Shop, COPE, STEM, and Archery.
3. If you are aware of an emergency, report it to the Camp Office immediately. If no one is at the Camp Office then report to the dining hall at mealtime or the staff area at night. State the exact location and nature of the emergency.

IF THE SIREN SOUNDS AT NIGHT AFTER TAPS:

1. The Scoutmaster should count his Troop and send the Senior Patrol Leader and a buddy to the Camp Office to report their count. Further information will be given at that time. Staff will report to the Camp Office.

NOTE: Text message alerts will accompany any sounding of the emergency siren, and may serve as a substitute for such sounding if deemed appropriate by the Camp Director. During severe weather emergencies, if a reporting/response is requested, a text message response may prove to be sufficient.

Camp Commissioners

This camping season at Camp Big Springs is going to be a busy time for you and your Troop. With that in mind, the Camp Commissioner staff is in place to help you keep things running smoothly and trouble-free. Each Troop will be assigned a Commissioner who will visit your site regularly. Take the time to get to know us. We will be your most reliable link to the rest of the staff. Don't hesitate to bring up any problems or questions you have. We're here to help!

The Commissioner staff is also busy helping you outside of the campsite too! We will, as in seasons past, be offering some Adult Leader Training Sessions to keep you and your other adult leaders well trained in all aspects of camping.

A big hit in past seasons has been our homesickness training, aptly named Home Away From Home

Conflict Prevention. In this presentation, you will learn how to recognize a homesick camper, as well as, the many different ways of dealing with a homesick Scout while at camp.

Senior Patrol Leaders should plan on having a daily SPL Meeting with a member of the Commissioner Staff. This is the absolute best way to get information to your Troop on camp themes, games, and activities. Every Troop is recommended to send a representative to this meeting.

The Commissioners at Big Springs are known for spontaneity, and you might find some more surprises offered once you get to camp. We encourage an open dialog with any and all leaders. If there is anything you may want or need, feel free to ask.

The Order of the Arrow

We urge all Troops to get involved in the Order of the Arrow program here at Resica Falls. We conduct a full Ordeal and Brotherhood induction each week under the guidelines of Unami Lodge, One and the National Order of the Arrow Committee. The Call-out ceremony will take place on Wednesday evening at the Richards Arena following the Campers' Campfire. Here we will recognize all those who were elected by their units to be inducted into the Order. The Pre-Ordeal ceremony, (Native American Village), will immediately follow the Call-out ceremony. The Ordeal will be conducted throughout the day on Thursday with the Induction ceremony taking place at 8:45 pm. All those interested in sealing the bond of Brotherhood can do so by arranging it with the OA Honorsmaster. The Brotherhood ceremony will take place at 8:00 pm on Thursday evening. Immediately following the Ordeal ceremony there will be a social for all members of the Order of the Arrow in the Dining Hall.

Important OA information:

1. Elections can be conducted in camp, however we encourage you to complete your unit's election prior to arrival at camp. Please have a copy of the election form with you at camp to avoid any misunderstandings.
2. If your unit is not from Cradle of Liberty Council, we cannot call out your candidates' without proper written authorization from your council's lodge. This letter must include the candidates names and MUST be signed by the lodge adviser, lodge staff adviser, or the council Scout Executive. Note: Only Cradle of Liberty Council units are allowed to have their Scouts inducted at our ceremonies.
3. There will be a fee for all those taking either their Ordeal or Brotherhood at camp. These fees are set by the lodge and must be paid. The ordeal fee is \$40 and includes the ordeal sash, an OA handbook, the current year's dues, and a current lodge flap. The brotherhood fee is \$25 and includes the cost of the brotherhood sash. The fee for Scouts taking the Provisional Ordeal is \$45. Fees are subject to change.
4. Order of the Arrow properties are sold at the trading post. These items include the latest lodge flaps, as well as lodge fleeces, blankets, and hats.
5. Any member who has not paid their lodge dues for the current year can do so in the camp office.
6. We encourage anyone interested in helping out with the Ordeal or the ceremonies in any way, especially in the role of elangomats, to talk to the OA honorsmaster.
7. Those Scouts in your unit who will be called out on Wednesday should pack a pack and bring it with them to the designated location before the call out ceremony. This pack should include: sleeping bag, ground cloth, poncho, pocket knife and work clothes.
8. Those interested in sealing the bond of Brotherhood should contact the OA Honorsmaster early in the week to get a copy of the requirements. Brotherhood candidates will meet Thursday to go through the process. Only members of Unami Lodge, One can take their Brotherhood while in camp.

2022

EXPEDITION

RESICA

Summer Camp is an epic adventure, full of scouting skills and incredible fun, and we are excited you'll be joining the action at Big Springs Camp. Resica Falls has been in operation since 1957, continuing to offer a highly qualified program in a fun atmosphere for all of its participants. We plan on continuing this tradition while instilling Scouting's values in our youth campers.

Whether your Scouts are first year campers participating in our Resica Rangers program, or are experienced Scouts participating in High 5 Adventure Club, we are here to assist your Troop in offering a quality experience to complement your year-round program. We offer many activities to keep your Scouts busy during their stay at camp. They may choose to work on Merit Badges taught by our trained staff in one of our many program areas, or they may want to participate in a patrol activity such as riding mountain bikes on our backwoods paths, or just hike on the trails of our 4000+ acre property. They may want to take a cool dip in any one of our vast array of swimming holes on the Bushkill Creek. Whatever you choose - Enjoy!

There are a variety of ways the campers can participate in the program:

FOR THE SCOUT: Merit Badge programs and advancement opportunities are designed to help the Scout meet their own personal advancement goals. In addition, awards are made during the week to individuals who demonstrate particular skills.

FOR THE PATROL: Baden-Powell once said that the patrol was the secret of the success of Scouting. One job of summer camp is to strengthen patrols. There are a variety of events throughout the week are planned to do just that.

FOR THE UNIT: Units will also have the opportunity to compete and work with each other, in demonstrating their unit pride and Troop skills. Campsite inspections will be on a Troop basis. These inspections, along with unit projects, can lead to unit awards.

Attending Scout camp is the greatest experience that any Troop will have during the year. Each SCOUT has fun in the great outdoors. Each UNIT LEADER becomes more responsible. Each PATROL functions as a team. Your Unit will be a better Unit as a result of your Scout Camp experience. The opportunity to get to know and understand your Scouts will never be better.

Program Overview (Continued)

HERE ARE SOME DO'S AND DONT'S ON UNIT PROGRAMMING

DO:

1. Allow patrols to plan and carry out some of the things they thought of and want to do.
2. Allow for and suggest some time a Scout can "go and do with a friend or two."
3. Be sure there is personal achievement and fun in the program.
4. Set a tone that will give your Troop site real class. Insist on manners, good fellowship, sportsmanship, clean fun, and a clean camp.
5. Keep in touch with what's happening in the Camp-visit program areas where your Scouts are involved. Get verbal reports everyday from your junior leaders.
6. Allow your program commissioner to help you ensure the success of your week in camp.

DON'T:

1. Allow too many activities to be scheduled. Camping should be recreational and not stressful.
2. Be alarmed if things happen that are not in the schedule. Some circumstances warrant changes in plans.
3. Emphasize activities and advancement that can be better done at home. Indoor games and "city" badges detract from the purpose of coming to camp.
4. Give Scouts a title and a leadership job and then do the leading yourself.
5. Allow a programming problem to put a damper on your week in camp. Bring it to the attention of your program commissioner as soon as you are aware of it for quick resolution.

Advancement at Camp

1. Summer camp is an ideal place for Scouts to earn many of the outdoor Merit Badges. Our Camp Staff is ready and willing to support your unit's advancement needs.
2. Each unit leader should prepare a detailed advancement plan before leaving for camp, to include:
 - a. Setting realistic goals for each Scout to discourage making the number of merit badges earned a primary summer camp objective. (We suggest three to four badges.)
 - b. Review with each Scout the merit badges they plan to earn. Scouts should be familiar with the requirements in advance. The Merit Badge Opportunity pages detail which merit badges are offered and which requirements need to be completed prior to camp.
 - c. Evidence of partials from the Scout's local "home" counselor must be presented to the camp counselor. The "Application for Merit Badge" card has a section to record partials. Acceptance of partials is at the discretion of the merit badge counselor.
3. A merit badge is an individual project for each Scout and should follow the same procedure as those at home. The camp staff will function as both instructors and counselors. Unit leaders should monitor the advancement progress of their Scouts throughout the week and help them work out difficulties that may develop. The camp staff will be trained in merit badge procedures and empathetic to the needs of individual Scouts. You will also find the staff responsive to solutions to advancement problems.

KEEPING TRACK OF SCOUT ADVANCEMENT

There are three individuals that have the direct responsibility to keep track of each merit badge a Scout is working on in camp.

- The merit badge counselor will keep the official record of each Scout taking merit badges. The counselor's records will reflect an up-to-the-minute review of where each Scout stands in completing a badge.
- Each individual Scout should be aware of their own progress of completing each of the merit badges they are attempting.
- Camp leaders should communicate with the Scouts on their progress on merit badges and with the individual merit badge counselors.

MERIT BADGE DETAILS

Requirements- Merit Badge requirements are as stated in the current edition of the Scouts BSA Requirements Book. It is important that the troop set out an individual plan for each Scout well before camp

Advanced Preparation- The staff at Resica Falls takes great pride in the skill instruction at camp. Therefore we feel that there is no reason any requirement can be waived simply because it can not be completed at camp. Under these conditions, some badges will require work to be completed prior to your week at camp.

Sign ups- Merit Badge sign ups will be required this year through Black Pug and will begin on April 1st. A unit leader should log each Scout's merit badge choices into our online system or individual scouts and their parents have the opportunity to register for merit badges as well. The earlier you are the better, all badges have a maximum capacity. The parent portal must be enabled by a unit leader in order for parents of Scouts to register them for merit badges.

Partials- Scouts that will need to miss merit badge class time due to a troop trip, their involvement in the Order of the Arrow, or for any circumstance should schedule a makeup session with their counselor as soon as possible. It is imperative that Scouts make arrangements with their Scoutmaster and merit badge counselor in order to complete the merit badge.

Reconciliation- Beginning at 7:30 on Friday evening, area directors will be in the Dining Hall to help handle any problems.

Records- In 2022 all merit badge records will be recorded electronically in Black Pug.

Listed in alphabetical order below are the merit badges that will be offered at camp. Next to each badge are the requirements that must be completed or started BEFORE the Scout arrives in camp. If they are completed to the satisfaction of the counselor, the badge may be earned at camp, otherwise the Scout may receive a partial. With all merit badges, Scouts should become familiar with the requirements before coming to camp. Some merit badge requirements require “advanced preparation” by the scouts. The specifics of this depend on the requirement, but generally Scouts should be familiar with the information that the requirement covers.

All boats should be to shore by 4:40 pm.

Resica Rangers— First Year Camper Program

The Resica Rangers program is based on the new requirements and will cover many of the skills necessary for Scout through First Class. The Resica Rangers program will be held every day during the mornings for skill instruction, camp exploration, and engaging patrol activities.

About The Program!

Our First Year Camper Program is one of the most important programs we offer in camp. A positive experience in camp will help determine a new Scout's length of stay in Scouting. This program is designed to meet the needs of our youngest campers by reinforcing the values of Scouting and the Patrol Method through a fun, hands-on approach. The Resica Rangers program has been created with leader concerns, merit badge opportunities, and unit activity scheduling in mind.

What's New?

- An improved First Year Camper area with individual and specialized instruction areas for different skills and patrols, as well as a central meeting area.
- The Resica Rangers program will consist of a week of morning program with Scouts placed in patrols to reinforce the Patrol Method.
- Skill instruction will take place between 9:00 am to 12:30 pm each day. On Thursday afternoon and evening, Rangers will also participate in a five-mile hike and overnighter.
- In addition to Scout skills and rank advancement requirements, Rangers will have the opportunity to earn Nature merit badge.

- Afternoons (other than Thursday) can be spent with the Troop on adventures around camp to solidify what has been learned in Rangers.

The Resica Rangers program is not meant to replace any skill instruction or Troop activity, but we hope to work with the Troops to ensure that each Scout that goes through our program learns more about Scouting and the outdoors. Units with Scouts participating in the Resica Rangers program are encouraged to provide a leader or two throughout the week to aid with instruction.

The Resica Rangers program is not meant to replace any skill instruction or Troop activity, but we hope to work with the Troops to ensure that each Scout that goes through our program learns more about Scouting and the outdoors. Units with Scouts participating in the Resica Rangers program are encouraged to provide a leader or two throughout the week to aid with instruction. There are a few things we would like each Scout to bring to camp to ensure Resica Rangers runs smoothly. The list includes:

- Backpack (daypack)

On Monday the Scouts will have an opportunity to pick their excursions for the week, so the activities will change each week depending on what that week of Scouts want to do. The excursion will meet every day at the Clock Tower at 2:00PM (unless decided otherwise). Here is a list of possible excursions for the Scouts to pick from:

Aquatics Program

SWIM AND WATER RESCUE TRAINING AND PADDLECRAFT SAFETY TRAINING: Each leader will have the opportunity to receive training in the Paddlecraft Safety and Swim and Water Rescue Plans. This will qualify the unit leader to hold boating and troop swims anytime and anyplace during the year. An adult with these trainings will be required to participate in any aquatics-related troop trips while in camp. A two year certification will be presented to the leaders who take this opportunity. After completing Paddlecraft Safety and Swim and Water Rescue, a leader may take the troop to the Bushkill Creek, set up and run a safe swim area, or take their unit on a canoe trip on the Delaware River. Scouts are not permitted to swim in the Bushkill without Adult supervision.

SMALL BOAT SAILING: Sailboats may be taken out for general use during any of the open boating periods. Only swimmers can take out sailboats but not until they go through a sailing check-out orientation. Personal flotation devices (PFD's) must be worn at all times.

ROW BOATING: Rowboats may be taken out for general use during any of the open boating periods. No more than three people can be in a boat. A non-swimmer must be accompanied by a certified lifeguard in order to take out a rowboat. A beginner may take out a rowboat provided they are accompanied by an adult swimmer. All boaters must wear PFD's at all times.

CANOEING: Canoes may be taken out for general use during any of the open boating periods. No more than two people can be in a canoe. Only swimmers can take out a canoe. PFD's must be worn at all times.

RED CROSS LIFEGUARD: This program is offered to certify Scouts and interested leaders as lifeguards. The program is very intense and requires all week to be completed. Upon completion, Scouts and leaders will be awarded a two year certification. As lifeguards are required for all aquatic activities back at home, Units are encouraged to have Scouts and/or leaders participate by talking to the aquatics director. Cost for Red Cross Lifeguard is \$200, which includes CPR. All Red Cross Lifeguard participants must register for the course prior to the week of their arrival at camp. Additionally, all participants must complete their online modules prior to their arrival at camp. There will not be any opportunity to complete these online trainings while at camp. It is only a \$100 fee for the Red Cross Lifeguard recertification program. Some online classroom work must be completed prior to your arrival at camp. For enrollment and questions regarding this program, please contact our aquatics director at aquatics@resicafalls.org.

POLAR BEAR: The polar bear program is a program for everyone in camp. Show up at least three days for an early morning swim and earn the honor of being in the polar bear club. Members of the club are eligible to purchase a special patch at the trading post. Unit leaders should keep track of attendance.

Aquatics Program (Continued)

MILE SWIM: This program is offered to help improve awareness of being physically fit. It is a four day program which includes discussion, and three days of swim work-outs culminating in a complete nonstop Mile Swim on the fourth day. Upon completion, Scouts are awarded the certification card and the right to wear the mile swim patch.

KAYAKING: Kayaks can be used during any of the open boating periods. Only one person may be in a kayak at a time. Only swimmers can take out a kayak. PFDs must be worn at all times.

FISHING: Lake Roger and Lake Ann offer great fishing and are loaded with blue gills. *A PA Fishing license IS needed for fishing at these lakes for everyone 16 and over.* Rowboats may be used by Scouts and leaders qualified as swimmers. The boats may be reserved with the lake director in advance. PFD's are required by all boaters. There will be no fishing permitted from any boat docks, or within 100 feet of the docks along the shore. A buddy must accompany Scouts to the lake. A note by the Scoutmaster attesting that the Scout has caught, identified and released the fish unharmed is sufficient for merit badge purposes. Scouts may keep one fish according to all state laws if they wish to cook and clean it at their campsite though at least one of the two fish must be released unharmed. Bring your own rod and reels to camp. Fishing Merit Badge is taught at Lake Roger.

FLY-FISHING: The Bushkill Creek offers some of the best fly-fishing around as it is fully stocked with trout. Anyone 16 years & up must have a PA Fishing license in order to flyfish at Resica Falls. An application for a license can be found on the PA Fish and Boat Commission website at www.fishandboat.com. The Bushkill Creek at Resica Falls is fly-fishing only and with all fish being catch and release. A buddy must accompany Scouts while fly-fishing. Fly-fishing is available on the Bushkill from well above and well below the falls. There is no wading by Scouts into the Bushkill. A note by the Scoutmaster attesting that the Scout has caught, identified and released the fish unharmed is sufficient for merit badge purposes. Bring your own rod and reels to camp. Fly-fishing Merit Badge is taught at the Native American Village.

PADDLEBOARDS: Paddleboards can be used during any of the open boating periods. Only one person may be on a paddleboard at a time. Only swimmers can take out a paddleboard. PFDs must be worn at all times. BSA Stand-Up Paddleboarding - required to attend both sessions.

The trail to Lake Roger leaves the main part of camp from behind the trading post. It is about a 20 minute, scenic trail up to the lake. Leaders may also drive Scouts to the lake on the access road, located about one-half mile up Route 402 from the main entrance of camp.

Rowing, Canoeing, Kayaking, and Small-Boat Sailing merit badges are offered at the lake. The lake is open during regular program times. Scouts can come up anytime before closing time to work on badges.

According to the regulations of Scouts BSA, each Scout and adult who wishes to use the boats at the lake must be accompanied by a buddy and have a buddy tag. A person who has been classified as a non-Swimmer must be accompanied by a lifeguard while boating on the lake. They can be passengers in tandem kayaks, canoes, and rowboats. A beginner must be accompanied by an adult Swimmer, and may use canoes, tandem kayaks, and rowboats. Only Swimmers are permitted to use kayaks during open boating. Sail boats are not available for open boating. Everyone wears a PFD at all times while in the boating area. Please consult the Lake Director for rules regarding use if the Wibit Aquapark attractions.

There are also opportunities for troop boating in the afternoons. Units need to supply their own leadership and lookouts. A staff member will also be present to help our Units.

Be sure to file a Trip Plan with the Camp Office for all trips. You can also request to take a bag lunch with you on your trip. Locations marked with an asterisk above are great swimming holes. If you would like to go swimming while on the hike you will need to have the Aquatics Director sign off on your Trip Plan.

Canoe Trips

While your Unit is at Resica Falls, consider taking an afternoon out of camp to canoe the Delaware River. We can arrange a more relaxing trip for units with less experienced Scouts, or a more strenuous trip for those that are experienced canoers! These trips can be arranged through your commissioner.

Learn About Raising Fish

Having a World-Class Fly Fishing stream running through our camp not only allows us to teach Fly Fishing Merit Badge in the perfect setting, but it also allows us to be able to teach more about raising fish. We have our very own fish hatchery on the property and would love to let your Scouts feed the fish while they learn about how they are raised and how we get them acclimated to the new waters once we release them.

SEEK

Introduced in 2021, SEEK replaces our traditional CIT program with a three week program designed around targeted skill development and personal growth. Scouts ages 15 and 16 will work with our dedicated staff to hone the skills needed to be a great leader, both in camp and in their units. The SEEK program has its own staff, lives in it's own campsite, and has its own program specific uniforms, trips, and activities.

Care has been taken to provide a balance of both work and play. One day SEEK participants might be shadowing an area director and the next day camping out at Lake Roger!

Troop 1

Scouts, both male and female, have the chance to experience the adventures of Resica Falls as part of our Resica Troop One program. Whether your unit is going somewhere else for summer camp or you want to come back for a second week of fun, our provisional unit is the place for you. Any Scout who spends a second week of camp at Resica Falls is eligible for a special discounted rate of \$375! The Scouts first week of camp must also have been at Resica Falls to receive the discount.
