History of Resica Falls

Situated in the beautiful Pocono Mountains, Resica Falls Scout Reservation is a 4,200-acre Scouting Paradise. Set in an endless track of mountain trails, clear streams, and waterfalls, Resica has an amazing program of activities for Scouts to enjoy during their summer camp experience and beyond. This paradise is home to hundreds of different trees, plants, and animals, and to over 2,000 Scouts and Scouters each summer.

In 1957, the Valley Forge and Philadelphia Councils entered into a joint venture to develop this magnificent piece of land into a camp for Scouts to enjoy for generations to come. Although the Valley Forge Council would become the sole proprietor of the property in 1965, these same two councils would merge in 1996, creating the Cradle of Liberty Council. The Council would later enter into a land trust agreement, preserving the property forever as an undeveloped forest for Scouting use. In 2022, Resica Falls celebrated its 65th anniversary.

The camp capacity for 2026 will be 500 scouts each week in our Dining Hall operation. The Ranjo Clock Tower serves as a central meeting place outside the Dining Hall on the Parade Field. The camp boasts three shower house facilities that can accommodate both male and female campers and leaders. Our pool features a three-story water slide and Lake Roger – a 27-acre lake – is home to a trampoline and other

aquatic park features, in addition to sailing, canoeing, kayaking, fishing, and rowing. Since 2010, we have significantly upgraded the following program areas in camp: Rifle & Shotgun Ranges, Archery Range, Handicraft, STEM Center, Shop, ATV Course, and the COPE & Climbing Course. The Richards Arena, our campfire amphitheater, seats up to 900 people and is state-of-the-art in lights and sound. Since 2014, we have been upgrading our campsites with new tents, platforms, picnic tables, and carport canopies.

Today, Resica Falls remains committed to excellence in the areas of program development, facility improvement, and customer service. Tens of thousands of Scouts have enjoyed an experience among the hidden natural treasures, creating memories that will last a lifetime. Join us and see the adventure that awaits!

Troop Planning Countdown

Begin the process of preparing for your stay at summer camp by reading the entire Program Guide. We realize that the sequence of events below may be different in each Troop.

1. Your reservation has been made through Black Pug and you have a plan for securing the total camp fees from each of the Scouts so that you can pay the balance by May 15th. This includes collecting and paying a total of \$200.00 per Scout by March 31st to unlock Merit Badge & Program Registration.
2. Ensure that all Scouts and leaders registered to attend camp with your troop are registered members of Scouting America, and that all adult leaders are registered members of your troop.
3. If you have not already done so, conduct a Camp Parent's Night in your troop to present camp plans and share with Scouts and parents information about our camp, program highlights, adult leadership, physical examination, fee payment, etc. Distribute medical forms. Contact the Council Camping Department for assistance with any issues or check out www.resicafalls.org
4. FIND OUT WHAT THE SCOUTS WANT! Ask them, don't just guess. Some things they will want to do on their own, other things by patrol and others with the whole troop. Have each patrol meet to list its ideas in each category. Survey the troop for special program requests- i.e. swimming, canoeing, etc.
5. Attend our first Resica Falls Leaders Update via Zoom Webinar on Thursday, February 26th, 2026. We will be highlighting many changes made to our camp-wide program as well as reviewing general camp procedures and policies Sign up to participate at www.resicafalls.org/calendar
6. Attend our Resica Falls Leader updates with your Senior Patrol Leader on Tuesday, April 14th and Thursday, May 21st for continued updates and information regarding program and check-in. Sign up information for the Zoom webinars can be found at www.resicafalls.org/calendar
7. Complete the Pre-Camp survey by Friday, June 5th. The survey can be found in Black Pug starting April 1st and will be used to provide additional registration details and to make any special requests to the Camp Leadership team about your week in camp.
8. Follow up on the Scouts that have not signed up for camp. Sell them on going because of the program you have planned.
9. Pay the balance of camp fees owed no later than May 15th.
10. Finalize your troop roster of those attending camp. Obtain home addresses and telephone numbers of all Scouts (including parents' vacation address & phone number) or that of nearest relative, for use in emergencies. Keep all details in Black Pug up to date as this will serve as your unit's roster in camp. Confirm that all adults attending camp are registered members of your Troop and that Safeguarding Youth Training is up to date.
11. Collect and review medical forms for all Scouts and leaders attending camp. Check for completeness of all information, with CURRENT parent's and doctor's signatures and dates. See the Medical Form Instructions on page 12 of this Program Guide for more details.
12. Print a PDF or CSV version of your troop roster from my.scouting.org and bring the printed copy with you to Resica Elementary School for Sunday afternoon check-in at your assigned check-in time. ALL attendees, both youth and adult, who are attending summer camp with your troop must be registered members of Scouting America. ALL ADULTS attending summer camp with your troop must be registered members of your troop. Instructions for finding your roster are available at: [Resica Falls Important Documents](#)

WARNING - Failure to bring your roster with you on Sunday check-in will result in a significant delay to your unit's check-in process. Your unit WILL NOT be permitted to proceed to camp without providing us with your my.scouting.org roster.

UNIFORM: The full Scout uniform, correctly worn, is proper at any time, but essentially required for the evening meal, retreat, campfires, and some other evening activities. Scout shorts and t-shirts are recommended for daytime wear. Some Scouts may not have a uniform, through no fault of their own, and we must note that a uniform is not a prerequisite for attendance at camp. Shoes or some type of adequate foot gear must be worn at all times as a matter of safety, especially to prevent puncture wounds which could prohibit swimming. Water shoes (foot gear which can get wet to prevent injury while in the lake or creek) will be needed for a variety of camp activities. Old sneakers are acceptable water shoes. Certain programs may require long sleeve shirts and long pants.

UNIT SITE CAPACITY: Each campsite has a definite size regarding camper capacity. This is done to accommodate small and large units alike. Multiple units may be assigned to the same campsite. The number of tents allocated to your troop is based on two occupants (Scout or adult) per tent. Site assignments will be at the discretion of the Camp Director.

VEHICLES: No vehicles are allowed in the campsites. Arrangements must be made in advance with the Camp Director for any physical limitations. Each unit will receive 1 parking spot at the top of the hill near the Trading Post. Vehicles must be detached from any unit trailers and moved to their designated parking area. All other vehicles should be parked in the Fisherman's Parking Lot.

VISITORS: All visitors must sign in at the camp office immediately upon arrival. Visiting Scouters desiring meals at the Camp Dining Hall can be accommodated if the camp is notified 24 hours in advance. **The Camp Director retains the right to prohibit visitors in camp.** All visitors must sign out at the camp office when leaving. Visitors should not arrive before the camp office opens and should plan to leave before the camp office closes.

The camp will not conduct an organized camp visitors night. Your troop is welcome to organize an evening in camp where you can invite parents and guests.

The cost for guest meals is \$15.00 per meal and can be paid for at the camp office.

Your First Day At Resica Falls

RESICA ELEMENTARY SCHOOL: You are required to meet at the Resica Elementary School as the first step of your Check-in process. Many key aspects of Check-in will be taking place at the school. You should arrive at your assigned check-in time, and if possible, together as a unit. Please remain in your vehicles until instructed otherwise. Your Camp Leader will meet with members of the Camp Leadership Team; have all necessary paperwork ready, including your unit's my.scouting.org roster, medical forms, and specialty program permissions slips (Cowboy Action, COPE and ATV). The address of Resica Elementary School is 1 Gravel Ridge Road, East Stroudsburg, PA 18302.

MEDICAL RE-CHECK: These will also take place at the Resica Elementary School. All Scouts and Scouters remaining in camp will receive a Medical Re-Check where your medical forms will be reviewed. We will once again be offering advanced medical form reviews prior to your arrival in camp. ***The dates for these reviews will be May 30th, June 13th June 20th, June 27th and July 11th.*** Medical re-checks will be conducted at the Cradle of Liberty Council Office located at 901 East 8th Avenue, Suite 103, King of Prussia, PA 19406. The re-checks will take place from 9:30am to 2:30pm. A lock box for in-site medication storage will be given to the camp leader at this time; medications to be stored in the Health Lodge will be collected back in camp. Once medical re-checks are complete, your unit will return to your vehicles and wait for instructions to proceed to camp.

UNLOADING POINT: Upon leaving Resica Elementary School, you will travel to camp and be greeted by your Camp Staff Guide at the unloading point outside Unami Lodge (Camp Office). Your unit's gear will be unloaded from vehicles to be transported to your campsite. Parent drivers are encouraged to remain in their vehicles during the unloading process. All vehicles once unloaded should be moved to the appropriate parking lots, and those not staying overnight in camp should head home.

CAMPSITE INVENTORY: Your Camp Staff Guide and one Adult Leader will, upon arriving at the Campsite, take note of the condition of all Camp equipment. Please indicate any damage of this equipment at that time, since any damage found during checkout on Saturday will be charged to the Unit. If any additional tents, cots, etc. are needed, your guide will make note of this on the inspection form, and the quartermaster will be informed.

Health & Safety

It is the policy of Scouting America as stated in the “Guide to Safe Scouting,” the National Camp Accreditation Program/National Camp Standards, and other official publications of Scouting America that these guidelines apply to all camp activities. In addition, council, local, and state standards also apply. Resica Falls is fully committed to ensuring the safety of all its campers, leaders, staff, and guests. As such, policies may change following the publication of this guide.

Everyone in camp has a responsibility to protect the health and safety of everyone else. One uninformed or careless person can, in a moment, destroy the health and safety of the entire camp!

BUDDY SYSTEM: The buddy system should be followed for ALL activities.

HEALTH AND MEDICAL RECORDS: All Scouts and Leaders must bring to Camp a complete Scouting America Annual Health and Medical Record, and must be re-checked by the Camp Health Officer. Only use of the current edition of the official Scouting America Annual Health and Medical Record will be accepted; this assists the Camp Health Officer in obtaining vital information, should someone require medical assistance. An AHMR is valid through the end of the 12th month from the date it was administered by your medical provider. For example, a physical administered March 3, 2025, would be valid until March 31, 2026.

HEALTH SURVEILLANCE: The unit leader must monitor the health of each Scout while at camp. Please do not let a small problem get out of hand due to lack of attention. Be on the lookout for skin irritations, ivy poison, ticks, dehydration, etc. at all times. Be alert that some Scouts change their toilet habits at camp. We must watch for changes in a Scout’s physical appearance and activity level. **IT IS THE RESPONSIBILITY OF THE UNIT LEADER AND THE SCOUT TO REPORT ANY INJURIES, ACCIDENTS, OR ILLNESS TO THE HEALTH LODGE!**

MEDICAL SERVICE: The Camp Health Lodge is prepared to handle camp illness and accidents. Emergencies will be handled at all hours, day or night, at the Camp Health Lodge. Should hospitalization be necessary, we have arrangements with local ambulance services and local hospitals. Any camper who leaves camp for medical reasons **MUST FIRST CHECK OUT AT THE CAMP OFFICE.**

ACCIDENT & SICKNESS INSURANCE: Most councils carry insurance that provides coverage for their members while participating in Scouting programs. Accident & Sickness Insurance Plans provide medical payments subject to the plan details and limits of the coverage. Cradle of Liberty Council carries this insurance for its units. Out-of-council units should check with their council for coverage.

This plan is an excess insurance plan meaning that it will pay all the eligible expenses incurred from a covered accident or sickness not paid by any other collectible insurance or pre-paid health plan in-force for you or a dependent child(ren). If no other collectible insurance or pre-paid health plans are in effect at the time of the loss, this plan will pay all eligible covered expenses up to the plan limits. There is no deductible under this plan.

MEDICATIONS: Medications can be administered in one of two ways at Resica Falls. It is the unit’s decision how they want medication to be stored and distributed.

- 1) Medication for your entire unit will be stored in a secure, camp-provided lock box in your own campsite. Units participating in this option must complete a Medication Storage Release Form.
- 2) Medication will be stored in the camp Health Lodge. An adult leader from your unit **MUST** accompany any Scout coming to the Camp Health Lodge for medications.

All medications should be in original containers, placed in a zipper plastic bag, and labeled with the camper’s name and unit. Any medications requiring refrigeration will be stored in the Health Lodge, and will be administered there. We encourage units to distribute all medications in their site.

Medical Form Instructions

The following forms must be turned in for each Scout and leader upon arrival. A copy of your unit roster will remain with these forms and be returned to you before departure on Saturday. All forms are available for download from the [Important Documents](#) page of our website

Camp Emergency Procedures

MAJOR ACCIDENTS AND EMERGENCIES:

The Camp Director is to be notified immediately, or in his absence, the Assistant Camp Director or Program Director. Present all facts known. Do not make statements to any outside groups, and refer inquiries from the press to the Camp Director and/or the Scout Executive.

SEVERE STORMS: In the event of a severe storm, everyone will be notified and further instructions will be provided.

ACTIVITIES DURING HIGH TEMPERATURES:

1. Adult Leaders should keep a close watch on Scouts for signs of heat exhaustion.
2. Instruct Scouts to limit or modify physical activity. Strenuous activities should not be permitted.
3. Encourage Scouts to stay in well ventilated and shady areas.
4. Encourage Scouts to drink large quantities of water.
5. Be alert for other instructions from the Camp Director.

LIGHTNING AND HIGH WATER:

1. All aquatic, shooting sports and climbing activities will be suspended during a lightning or thunderstorm. If you are on a river trip or at the lake, return to shore and comply with the following:
 - a) Secure canoes, boats, or other aquatic crafts.
 - b) Seek shelter indoors or in a low area away from solitary trees, rock formations, high ridges, wire fences, telephone or electric lines or open fields.
 - c) Complete a headcount if traveling as a group.
 - d) Stay in place until lightning or thunder has completely passed.
2. During high water periods, the Camp Director, Program Director or Ranger will notify units and suspend water activities. If your unit is on a river trip and conditions change to very fast or high water, return to shore and comply with the following:
 - a) Secure all canoes, boats, or other aquatic crafts.
 - b) Seek ground safely away from the waters' edge and high enough from any rising waters.

c) Complete an accurate headcount.

d) Notify camp of your location and stay put until picked up.

Lightning Safety: As written in the "Guide to Safe Scouting."

- In a thunderstorm, there is no risk-free location outside. The National Weather Service recommends that when the "Thunder Roars, Go Indoors! The only completely safe action is to get inside a safe building or vehicle." When no safe building or vehicle is nearby, use the following to reduce risk. Avoid open fields, the top of a hill, or a ridge top. Spread your group out 100 feet from each other if possible. Stay away from tall, isolated trees, flag poles, totem poles, or other tall objects. If you are in a forest, stay near a lower stand of trees. Stay away from water, wet items (such as ropes), and metal objects (such as fences and poles). Water and metal are excellent conductors of electricity.

Lightning Safety Rules

- Under the Program Director's discretion the Pool, Lake, Rifle Range, Archery Range, ATV Course & COPE will close at the first sound of thunder or sight of lightning. They will resume 30 minutes after the last instance of thunder or lightning.
- Stay away from open doors and windows, fireplaces, radiators, stoves, metal pipes, sinks, and plug-in electrical appliances.
- Don't use hair dryers, electric toothbrushes, or electric razors.
- Don't take laundry off the clothesline.
- Don't work on fences, telephone lines, power lines, pipelines, or structural steel fabrications.
- Don't handle flammable materials in open containers.
- Don't use metal objects, such as fishing rods and golf clubs. Golfers wearing cleated shoes are particularly good lightning rods.
- Stop tractor work, especially when the tractor is pulling metal equipment, and dismount. Tractors and other implements in metallic contact with the ground are often struck by lightning.
- Get out of the water and off small boats.
- Stay in the car if you are traveling. Automobiles offer excellent lightning protection.

Camp Emergency Procedures (Continued)

- When no shelter is available, avoid the highest object in the area. If only isolated trees are nearby, the best protection is to crouch in the open, keeping twice as far away from isolated trees as the trees are high.
- Avoid hilltops, open spaces, wire fences, metal clothesline, exposed sheds, and electrically conducted elevated objects.
- Approved lightning structures are marked around camp. They include the Shop, the Dining Hall, Bear Lodge, the Pool Showerhouses, the STEM Center, and Unami Lodge. These may be used at the discretion of the unit leaders.

FLOODING: Seek high ground and shelter, if possible, immediately. In case of a flood warning, we will keep you posted so that evacuation can take place if necessary.

LOST CAMPER: Troop leaders should be aware of approximate locations of all Scouts at all times. Periodic head counts are advised. If a Scout is found missing following a search of the campsite, inform the Camp Office. If necessary, the entire camp will assemble to begin a systematic search.

LOST SWIMMER: A Buddy Check will be called. Each swimmer will sit on the edge of the pool, holding his/her buddy's hand raised up. A visual check of the bottom will be made. A count will be taken to see that the buddy tags on the buddy board agree with the actual number of swimmers in their respective swimming areas. If a tag is on the board, and the swimmer is not at the pool, a runner will be sent to his Campsite. If not found, the Lost Camper Procedure will begin.

- A) Capsized Boat: If a boat is capsized and no Scouts are in sight, the Lake Director will notify the Aquatics Director and Camp Director. The Director will begin Lost Camper Procedures as all other program areas are closed and the staff reports to waterfront for Lost Bather Search.
- B) Missing Boat: If a boat has not been checked in and the buddy tags are still on the board, the Aquatics Director and Camp Director will be notified immediately. The camp will begin Lost Camper Procedures.

FIRE: Follow "What To Do In Case Of Emergency" procedures. If you see a fire, report it to the Camp Office or notify a staff member. Keep campers away from the fire area.

CHILD ABUSE: Scout leaders should keep a close watch on Scouts for signs of abuse. In the state of Pennsylvania, any youth-serving adult is considered to be a mandated reporter. If any form of child abuse is suspected, it must be reported to the state of Pennsylvania via Childline. In addition, notify the Camp Director for further guidance and instructions.

EMERGENCY TELEPHONE NUMBERS: Every telephone that is capable of dialing out of Camp will have posted a printed list of local police and fire departments, hospitals, State Police, Council Physician, Council Executive Personnel, and the National Scouting America Headquarters.

HAZARDOUS CHEMICAL SPILLS: In the event of a chemical spill, contact the Camp Director IMMEDIATELY. Close off the area around the spill. Do not attempt to clean up the spill. Wait for the Directions of the Camp Director.

ACTIVE SHOOTER POLICY: In the event of an active shooter, whether internal or external, Resica Falls will follow the policy of Run, Hide, and Fight, in accordance with guidelines from the PA State Police

OTHER: Treat any other emergency not covered with common sense, taking appropriate action, using guidelines listed above. For any contingency not covered and in question, contact the Camp Director only.

What To Do In Case Of Emergency

DURING THE HOURS BETWEEN REVEILLE (7:00 AM) AND TAPS (10:00 PM):

1. SIGNAL: Continuous sounding of the siren.
2. UPON HEARING THE ALARM, ALL SCOUTS AND LEADERS ARE TO REPORT TO THEIR DESIGNATED EMERGENCY ASSEMBLY LOCATION. THE CAMP DIRECTOR OR PROGRAM DIRECTOR WILL TAKE A HEAD COUNT. ALL CAMPERs AND LEADERS MUST BE PRESENT OR THEIR WHEREABOUTS ACCOUNTED FOR. The Lake will call in their accounting.
3. If you are aware of an emergency, report it to the Camp Office immediately. If no one is at the Camp Office then report to the dining hall at mealtime or the staff area at night. State the exact location and nature of the emergency.

IF THE SIREN SOUNDS AT NIGHT AFTER TAPS:

1. The Scoutmaster should count his or her Troop and send the Senior Patrol Leader and a buddy to the Camp Office to report their count. Further information will be given at that time. Staff will report to the Camp Office.

NOTE: Text message alerts will accompany any sounding of the emergency siren, and may serve as a substitute for such sounding if deemed appropriate by the Camp Director. During severe weather emergencies, if a reporting/response is requested, a text message response may prove to be sufficient.

Camp Commissioners

This camping season at Resica Falls is going to be a busy time for you and your Troop. With that in mind, the Camp Commissioner staff is in place to help you keep things running smoothly and trouble-free. Each Troop will be assigned a Commissioner who will visit your site regularly. Take the time to get to know us. We will be your most reliable link to the rest of the staff. Don't hesitate to bring up any problems or questions you have. We're here to help!

The Commissioner staff is also busy helping you outside of the campsite too! We will, as in seasons past, be offering some Adult Leader Training Sessions to keep you and your other adult leaders well trained in all aspects of camping.

A big hit in past seasons has been our homesickness training, aptly named Home Away From Home. In this presentation, you will learn how to recognize a homesick camper, as well as, the many different ways of dealing with a homesick Scout while at camp.

Senior Patrol Leaders should plan on attending the daily Camper Council Meeting. This is the absolute best way to get information to your Troop on camp themes, games, and activities. Every Troop is recommended to send a representative to this meeting.

CAMPSITE INSPECTIONS: Your Program

Commissioner will perform a daily campsite inspection. Inspections will be primarily aimed at checking the following:

1. Cleanliness of latrines and washstands.
2. Conditions of tents.
3. Cleanliness of grounds and trails.
4. Safety Hazards and what is being done to correct them.
5. No cars in campsite.

The camp leader is responsible for the health, safety, and cleanliness of their Scouts and the campsite. Those units that 'pass' the inspection will receive special daily recognition.

The Order of the Arrow

We urge all units to get involved in the Order of the Arrow program here at Resica Falls. A Call-out ceremony will take place on Wednesday evening at the Richards Arena following the Campers Campfire. Here we will recognize all those who were elected by their units to be inducted into the Order.

Important OA Information:

1. If your unit is not from Cradle of Liberty Council, we cannot call out your candidates without proper written authorization from your council's lodge. This letter must include the candidates' names and MUST be signed by the lodge adviser, lodge staff adviser, or the council Scout Executive.
2. Elections for Unami Lodge, One can be conducted in camp; however, we encourage you to complete

your unit's election prior to arrival at camp.

3. Based on availability Unami Lodge properties are sold at the trading post.
4. Any member who has not paid their lodge dues for the current year can do so in the camp office.
5. An Ice Cream Social will be held for all Called Out Candidates and members of the Order of the Arrow in the Dining Hall.
6. For Cradle of Liberty Council Troops - We will not be conducting Ordeal or Brotherhood inductions as part of the Summer Camp program this summer. Opportunities for completing your Ordeal or sealing the bonds of Brotherhood can be found at unamilodge.org.

**The
Road to Next Year**

Begins Today

Program Overview

Summer Camp is an epic adventure, full of scouting skills and incredible fun, and we are excited you'll be joining the action at Big Springs Camp. Resica Falls has been in operation since 1957, continuing to offer a highly qualified program in a fun atmosphere for all of its participants. We plan on continuing this tradition while instilling Scouting's values in our youth campers.

Whether your Scouts are first year campers participating in our Resica Rangers program, or are experienced Scouts participating in High 5 Adventure Club, we are here to assist your Troop in offering a quality experience to complement your year-round program. We offer many activities to keep your Scouts busy during their stay at camp. They may choose to work on Merit Badges taught by our trained staff in one of our many program areas, or they may want to participate in a patrol activity such as hiking on the trails of our 4000+ acre property. They may want to take a cool dip in any one of our vast array of swimming holes on the Bushkill Creek. Whatever you choose - Enjoy!

There are a variety of ways the campers can participate in the program:

FOR THE SCOUT: Merit Badge programs and advancement opportunities are designed to help the Scout meet their own personal advancement goals. In addition, awards are made during the week to individuals who demonstrate particular skills.

FOR THE PATROL: Baden-Powell once said that the patrol was the secret of the success of Scouting. One job of summer camp is to strengthen patrols. There are a variety of events throughout the week that are planned to do just that, including Afternoon Adventures chosen by your patrols.

FOR THE UNIT: Units will also have the opportunity to compete and work with each other, in demonstrating their unit pride and Troop skills. Campsite inspections will be on a Troop basis. These inspections, along with unit projects, can lead to unit awards.

Attending Scout camp is the greatest experience that any Troop will have during the year. Each SCOUT has fun in the great outdoors. Each UNIT LEADER becomes more responsible. Each PATROL functions as a team. Your UNIT will be a better Unit as a result of your Scout Camp experience. The opportunity to get to know and understand your Scouts will never be better.

Program Overview (Continued)

HERE ARE SOME DO'S AND DON'TS ON UNIT PROGRAMMING

DO:

1. Allow patrols to plan and carry out some of the things they thought of and want to do.
2. Allow for and suggest some time a Scout can “go and do with a friend or two.”
3. Be sure there is personal achievement and fun in the program.
4. Set a tone that will give your Troop site real class. Insist on manners, good fellowship, sportsmanship, clean fun, and a clean camp.
5. Keep in touch with what’s happening in the Camp-visit program areas where your Scouts are involved. Get verbal reports everyday from your junior leaders.
6. Allow your program commissioner to help you ensure the success of your week in camp.

DON'T:

1. Allow too many activities to be scheduled. Camping should be recreational and not stressful. Our program is not designed for you to be able to participate in every activity.
2. Be alarmed if things happen that are not in the schedule. Some circumstances warrant changes in plans.
3. Emphasize activities and advancement that can be better done at home. Indoor games and “city” badges detract from the purpose of coming to camp.
4. Give Scouts a title and a leadership job and then do the leading yourself.
5. Allow a programming problem to put a damper on your week in camp. Bring it to the attention of your program commissioner as soon as you are aware of it for quick resolution.

Advancement at Camp

1. Summer camp is an ideal place for Scouts to earn many of the outdoor Merit Badges. Our Camp Staff is ready and willing to support your unit's advancement needs.
2. Each unit leader should prepare a detailed advancement plan before leaving for camp, to include:
 - a. Setting realistic goals for each Scout to discourage making the number of merit badges earned a primary summer camp objective. (We suggest three to four badges.)
 - b. Review with each Scout the merit badges they plan to earn. Scouts should be familiar with the requirements in advance. The Merit Badge Opportunities pages detail which merit badges are offered in camp, with scheduling and pre-requisites being found at: resicafalls.org/meritbadges
 - c. Evidence of partials from the Scout's local "home" counselor or a Scoutbook Report must be presented to the camp counselor. The "Application for Merit Badge" card has a section to record partials. Acceptance of partials is at the discretion of the merit badge counselor.
3. A merit badge is an individual project for each Scout & should follow the same procedure as those at home. The camp staff will function as both instructors & counselors. Unit leaders should monitor the advancement progress of their Scouts throughout the week and help them work out difficulties that may develop. The camp staff will be trained in merit badge procedures & empathetic to the needs of individual Scouts. You will also find the staff responsive to solutions to advancement problems.

KEEPING TRACK OF SCOUT ADVANCEMENT

There are three individuals that have the direct responsibility to keep track of each merit badge a Scout is working on in camp.

- The merit badge counselor will keep the official record of each Scout taking merit badges. The counselor's records will reflect an up-to-the-minute review of where each Scout stands in completing a badge.
- Each individual Scout should be aware of their own progress of completing each of the merit badges they are attempting.
- Camp leaders should communicate with the Scouts on their progress on merit badges and with the individual merit badge counselors.

MERIT BADGE DETAILS

Requirements- Merit Badge requirements are as stated in the current edition of the Scouting America Requirements Book. It is important that the troop set out an individual plan for each Scout well before camp

Advanced Preparation- The staff at Resica Falls takes great pride in the skill instruction at camp. Therefore we feel that there is no reason any requirement can be waived simply because it can not be completed at camp. Under these conditions, some badges will require work to be completed prior to your week at camp. Requirements that need to be completed prior to camp will be listed in BlackPug.

Sign ups- Merit Badge sign ups will be required this year through Black Pug and will begin on April 11th. A unit leader should log each Scout's merit badge choices into our online system or individual scouts and their parents have the opportunity to register for merit badges as well. The earlier you are the better; all badges have a maximum capacity. The parent portal must be enabled by a unit leader in order for parents of Scouts to register them for merit badges.

Partials- Scouts that will need to miss merit badge class time due to a troop trip or for any circumstance should schedule a makeup session with their counselor as soon as possible. It is imperative that Scouts make arrangements with their Scoutmaster and merit badge counselor in order to complete the merit badge.

Reconciliation- Beginning at 7:30 on Friday evening, area directors will be in the Dining Hall to help handle any problems.

Records- All Merit Badge records will be recorded electronically in Black Pug. This can be accessed through your camp registration and easily transferred into Scoutbook.

Listed in alphabetical order below are the merit badges that will be offered at camp. Details about merit badge offerings along with requirements that need to be started or completed BEFORE camp can be found at resicafalls.org/meritbadges. If they are completed to the satisfaction of the counselor, the badge may be earned at camp; otherwise the Scout may receive a partial. With all merit badges, Scouts should become familiar with the requirements before coming to camp. Some merit badge requirements require “advanced preparation” by the Scouts. The specifics of this depend on the requirement, but generally Scouts should be familiar with the information that the requirement covers.”

Darkness has befallen the Mystic Waters at Resica Falls! A mysterious Curse spreads chaos throughout the Resica School of Magic. Join your fellow spellcasters for a weeklong quest of magic and mystery. Follow ancient clues, master powerful spells, and band together in campwide challenges to break the Curse.

Campers Council

(Monday-Friday 7:15 pm at the Clock Tower)

This forum of the camp's principal youth leaders, the senior patrol leaders, will gather each day to review the program and discuss concerns of the camp. Therefore, it is extremely important that your senior patrol leader, or designated representative, be present at each meeting to ensure your unit's representation. This group will plan the Campers Campfire on Wednesday.

Duel of the Wands

(Monday – 7:30 pm)

Introduce your magical abilities with a BANG! Showcase this magical prowess across a variety of competitive matches that require a combination of skill, strategy, and spellcasting to claim victory.

Dutch Oven Dessert Challenge & Leaders' Swim and Barbecue

(Monday - 9:00 pm)

Adult leaders are invited to the pool for some fun! Additionally, you are invited to cook up your special dessert recipe in a Dutch Oven to be judged by our select panel of judges. Your dessert should contain apples, peaches or passion fruit. Dutch Ovens are available in camp. Ingredients, especially exotic ingredients, should be brought to camp.

Program Highlights (Continued)

Gauntlet of Fire

(Tuesday - 7:30 pm)

Wizards and Witches (14 years of age or older) seeking to prove their strength, stamina, and skill will be put to the test through many trials around the reservation. The Gauntlet of Fire challenges all spellcasters to a dash through the enchanted forest, a crossing over the mystic waters, and a precision test that would stump Merlin himself. Join us and see if you have the courage, endurance, and magical skills to conquer the flame.

Twilight Programs

(Tuesday & Thursday at 7:30 pm)

During the early evening on Tuesday and Thursday, a variety of twilight programs will take place. These include Twilight Boating on Lake Roger, Twilight COPE at the COPE Course, and Cowboy Action Shooting at the Rifle Range. Pay attention in camp to see which events are happening on what night to enjoy in all the sunset fun.

Mystics Under the Moon

(Tuesday & Thursday - 9:30 pm)

Dark forces stir under the moonlight and a band of rogue sourcerers roam free across the Resica School of Magic. Join this enchanted night hike to seek out these wayward mystics and uncover hidden clues that will lead you to artifacts hidden deep within the forest.

The Sorcerer's Showdown

(Wednesday - 1:30 pm)

Assemble on the parade field for the presentation of the Wizarding House Banners! The festivities begin with a feastful picnic on the parade field followed by competitions all throughout the realm. Through the delicate testing of agility, wit, and spellwork the victor will emerge and help determine who will earn the house cup at the conclusion of the week.

All Faith Service

(Wednesday - 7:30 - 8:00 pm)

A Scout is Reverent. Join us for our staff-led religious services – uniforms are appropriate. If your Unit would like to coordinate a service of a particular faith, we would be happy to help you plan and run it.

OA Call-Out

(Wednesday - 9:00 pm)

We urge all Units to get involved in the Order of the Arrow program here at Resica Falls. The OA Call-out will recognize those who have been elected to Scouting's National Honor Society.

Campers Campfire

(Wednesday - 8:15 pm)

Wednesday nights we encourage troops to plan their own campfires of skits, goofs, revelry, and fun times to perform for other Units and the staff on stage at Richards Arena. The campfire circle is the heart of the camp and can provide an opportunity for lifelong memories among your Unit.

Friday Evening Closing Ceremony

(Friday - 8:45 pm)

Join us as we recognize all of the winners and participants from your camp-wide activities. You won't want to miss this fun and exciting closing ceremony, which will include the slide show of your week in camp!

Units are encouraged to design and build a creative gateway to their campsite using the theme, The Curse of Mystic Waters. The Unit with the most creative gateway will be recognized in the Closing Ceremony.

All boats should be to shore by 4:45 pm.

Resica Rangers— First Year Camper Program

The Resica Rangers program is based on the new requirements and will cover many of the skills necessary for Scout through First Class. The Resica Rangers program will be held every day during the mornings for skill instruction, camp exploration, and engaging patrol activities.

About The Program!

Our First Year Camper Program is one of the most important programs we offer in camp. A positive experience in camp will help determine a new Scout's length of stay in Scouting. This program is designed to meet the needs of our youngest campers by reinforcing the values of Scouting and the Patrol Method through a fun, hands-on approach. The Resica Rangers program has been created with leader concerns, merit badge opportunities, and unit activity scheduling in mind.

What's New?

- An improved First Year Camper area with individual and specialized instruction areas for different skills and patrols, as well as a central meeting area.
- The Resica Rangers program will consist of a week of morning program with Scouts placed in patrols to reinforce the Patrol Method.
- Skill instruction will take place between 9:00 am to 12:30 pm each day. On Thursday afternoon and evening, Rangers will also participate in a five-mile hike and overnighter.

- In addition to Scout skills and rank advancement requirements, Rangers will have the opportunity to earn Exploration and First Aid merit badges. Be sure to review and complete any prerequisites for First Aid Merit Badge before arriving in camp.
- Afternoons (other than Thursday) can be spent with the Troop on adventures around camp to solidify what has been learned in Rangers.

The Resica Rangers program is not meant to replace any skill instruction or Troop activity, but we hope to work with the Troops to ensure that each Scout that goes through our program learns more about Scouting and the outdoors. Units with Scouts participating in the Resica Rangers program are encouraged to provide a leader or two throughout the week to aid with instruction. There are a few things we would like each Scout to bring to camp to ensure Resica Rangers runs smoothly. The list includes:

- Backpack (daypack)
- Canteen or water bottle
- Scout handbook (Scout's name on it)
- Hiking Boots suitable for a 5-mile hike
- Rain gear
- Sunscreen and Insect repellent
- Tents for each Scout going on the overnighter

High Adventure

ATV Program: Classes will be offered at 9:00AM - 10:40AM, 10:50AM - 12:30PM, 2:15PM - 3:55PM and will be for Scouts 14 years of age or older. There are three week-long sessions offered and each session has a limited number of participants. Before arriving to camp participants must complete the online blended learning training found at atvsafety.org/atv-ecourse (2 hrs. to complete). Completion certificates must be presented to the instructor along with your ATV Participation and Hold-Harmless Agreement that must be completed and signed by a parent before the Scouts arrive in camp. Participants are required to wear long pants, long sleeved shirts, and sturdy boots that cover the ankle while on the course. Per manufacturers standards, participants may not weigh more than 215lbs. There is a \$45.00 fee per Scout for participating in the program.

High Five Adventure Club: Are your Scouts looking to do a few merit badges at camp, but they also want some ADVENTURE?!! Each day, Scouts aged 14 and up will be given the opportunity to go on a different adventure around Resica Falls and the Pocono Mountains. On Monday the Scouts will have an opportunity to pick their excursions for the week, so the activities will change each week depending on what that week of Scouts want to do. The excursion will meet every day at the Clock Tower at 2:15PM (unless decided otherwise).

Fawn Run: Resica Falls is home to 4,200 acres of Pocono Mountain wilderness. Fawn Run is your unit's opportunity to explore all the corners of the reservation through this week-long backpacking adventure. Put the basic principles of primitive camping into practice while enjoying scenic vistas and participating in such trail camp programs as lumberjacking, fly fishing, and black powder shooting.

Scouts & Leaders in Troops, Ships, or Crews must be at least 13 years old to participate. This should not be their first backpacking experience.

Paddlerama: Spend an exciting week on the picturesque Delaware River, paddling over 80 miles and riding rapids! Begin your week at Resica Falls Scout Reservation where you will meet your guide for your excursion, review any safety precautions, and get any skill refresher you may need. Camp each night along the river, practicing your primitive camping skills after a day of taking in the gorgeous sites of the river.

Scouts & Leaders in Troops, Ships, or Crews must be at least 13 years old to participate, and have passed the Scouting America Swimmer Test.

Pioneering Camp: A unique experience that allows Scouts to live the life of the old frontier by putting their pioneering skills to the test. Scouts will create their own shelter and other spectacular structures. Scouts in Troops, Ships or Crews must be at least 13 years old to participate. Experience with pioneering is required. Any questions regarding the Pioneering Camp program can be directed to Chris Nagele at cnagele@kenvue.com

Please Note: You MUST register for the ATV & High Five Programs before you arrive in camp!!

Registration for the Fawn Run, Paddlerama and Pioneering Camp programs are separate from registration for our traditional summer camp and should be coordinated through the council camping office. Individuals can contact the council office at: camping@scoutingphilly.org

The Resica Falls C.O.P.E. Course is a Week long challenge program. Youngsters have forever been enchanted with heights, trees, ropes, fun, and adventure. Scouts BSA provides opportunities for its members to explore these enchantments. Project C.O.P.E. is an enriched extension of these efforts.

Project C.O.P.E. stands for “Challenging Outdoors Personal Experience.” It comprises group initiative games low-course and high-course activities. Some of the activities involve a group challenge while others test individual skills and agility. Participants climb, swing, balance, jump, rappel, and think of solutions to a variety of activities. Most do more than they ever thought they could do.

Project C.O.P.E. is an exciting outdoor activity that can be used to attract and hold the interests of older Scouts in Scouting. It offers a set of stimulating activities designed to meet the needs of today’s young people who are seeking greater challenges to their physical and mental abilities. The underlying goals of a Project C.O.P.E. course are consistent with the methods of Scouting. Group activities are ideal for emphasizing the patrol method and developing leadership. Individual activities help promote personal growth. A C.O.P.E. course provides an opportunity for every participant to achieve success as an individual and as a member of a patrol or team. The activities are not designed to be competitive or to be a race

against time. More important objectives, including building individual confidence, developing leadership, and inspiring cooperation among team members, are emphasized.

Leaders will be offered the opportunity to participate and experience C.O.P.E.. Leaders are discouraged from being spectators of C.O.P.E. as this interferes with the group dynamics of the program.

This is a half-day program — morning only.

PARTICIPATION REQUIREMENTS:

- Be at least thirteen years of age as of the Sunday of your week in camp.
- Have approval from parents and their Scoutmaster.
- Complete COPE Application and email hello@resicafalls.org or mail to camp.

REQUIRED C.O.P.E. EQUIPMENT:

- Jeans or dungarees
- Work gloves (leather preferable)
- Sweat shirt (long sleeved)
- Strong belt (no large buckle)
- Bandanna or neckerchief
- Gym shoes or sneakers (with good tread)

- The Resica Falls
- Little Falls*
- Lookout Point
- Signal Mountain
- Lake Roger
- Lake Anne
- Beaver Lake
- Indian Flats
- Bushkill Bluff
- Piano Pool*
- Chapel Pool*
- Cool Dip*
- Fossil Rock*

*Denotes potential swimming hole

Be sure to file a Trip Plan with the Camp Office for all trips. You can also request to take a bag lunch with you on your trip. Locations marked with an asterisk above are potential swimming holes. If you would like to go swimming at one of the potential swimming holes mentioned above while on a hike, the Aquatics Director must review your trip plan to help confirm your unit is prepared to follow all aspects of safe swim defense.

Canoe Trips

While your unit is at Resica Falls, consider taking an afternoon out of camp to canoe the Delaware River. You can arrange a more relaxing trip for units with less experienced Scouts, or a more strenuous trip for those that are experienced. You can work with your Camp Commissioner to learn more about these opportunities for your unit to consider.

Learn About Raising Fish

Having a World-Class Fly Fishing stream running through our camp not only allows us to teach Fly Fishing Merit Badge in the perfect setting, but it also allows us to be able to teach more about raising fish. We have our very own fish hatchery on the property and would love to let your Scouts feed the fish while they learn about how they are raised and how we get them acclimated to the new waters once we release them.

Resica Falls Provisional Troop 1

Scouts, both male and female, have the chance to experience the adventures of Resica Falls as part of our Resica Troop One program. Whether your unit is going somewhere else for summer camp or you want to come back for a second week of fun, our provisional unit is the place for you. Any Scout who spends a second week of camp at Resica Falls is eligible for a special discounted rate! The Scouts first week of camp must also have been at Resica Falls to receive the discount. resicafalls.org/provo
